Prop. 1 Wins—Prop. 2 Loses

Okay Millage

By Joe Schrader

It took three tries but in Monday's school millage election, voters approved one of two proposals that will permit schools to remain open the remainder of the school year. A 2nd proposal to increase the millage by one additional mill was soundly defeated. Voter turnout was heavy, up almost 25% from the August vote.

Over 2800 turned out to approve Proposition I, renewing last year's millage (15.65) plus an additional 2.25 mills, for a total of 17.90. The vote tally was 1444 yes to 1366 no. Proposition II was turned down 1610 to 1164. The vote tally by precinct went as follows:

	Proposition I		Proposition II	
	Yes	No	Yes	No
Grayling	1164	958	935	1149
Frederic	136	238	99	278
Lovells	43	120	35	127
Absentee	101	50	95	56
TOTALS	1444	1366	1164	1610

School officials were obviously relieved with the passage of Proposition I. "Naturally we're pleased that Proposal I passed so that we can continue to operate our schools", said Dr. William Diedrich, School Supt. Tuesday morning. He expressed regret that the additional mill asked for on Proposal II was not O.K.'d as well. "We're really not out of the woods yet," he continued, "but obviously we're in better shape than we were before the election." Financial problems will continue, Dr. Diedrich said, because enrollment this year is down resulting in reduced state financial aid.

Cuts in the system effected before schools opened will in all probability be continued, Diedrich said. Some of these include the elimination of freshman football & basketball, reinstatement of the honor study hall the board had hoped to discontinue and elimination of the driver's education, summer school adult enrichment programs.

Diedrich indicated the Board may reconsider its decision to close the school facilities to outside groups, although he indicated the rental fee would likely be raised if school facilities are again made available.

B & E Investigation Still Underway School Busses Vandalized

Crawford County Sheriff Curt Haas reported today that his department is continuing to investigate the breaking & entering crime spree that recently resulted in the arrests of three individuals believed to have been involved.

An update shows that over 250 complaints have now been cleared up and deputies anticipate that before their investigation is complete, nearly 300 will be cleared in the crime spree that spread throughout an 8-county area. Value of recovered goods is now estimated to be in excess of \$20,000, said Haas.

The number of breaking & entering complaints reported since the case was cracked has shown a significant decrease, probably a direct result of the ongoing investigation.

Sheriff's Dept. deputies are investigating an incident of vandalism which occurred sometime over the weekend at the bus corral at the high school. According to Under-Sheriff Joe White, locking gas caps were pried off eleven busses and fuel siphoned from the tanks.

A review of the sheriff's log reveals that last week, eight breaking & entering complaints were investigated, six larcenies, six malicious destruction complaints were checked and eight accidents were recorded.

Bowhunters Enter Bucks

As of this past Sunday, four successful bowhunters had entered deer in the 2nd Annual Camo-Coat Roundup sponsored by the Grayling Archery Club. All were from Grayling and all entered bucks. First to enter with Skip's Sports Shop was Richard Slater, followed by Brenda Bonamie, Lawrence Swinehart and Calvin Gates, who shot an 8-pointer.

Seven prizes are up for grabs in the contest which will conclude with an Awards ceremony at the Archery Club on Saturday evening, October 13th. A number of door prizes will be awarded and Camo-Coat buttons are still available at area merchants (\$2 apiece), along with door prize registration forms.

Harvest Dinner-October 11th

The Michelson Memorial United Methodist Church will hold their annual Harvest Dinner on Thursday, October 11, 1979.

Donations are as follows: Adults \$4.00; Children (12 and under) \$2.00; Family \$12.00; Children under five free.

Take-out orders should be ordered and picked up before 5:00 p.m. if possible.

K of C Pancake-Sausage Breakfast

The Knights of Columbus, Council 1982, of Grayling, will be sponsoring a Pancake and Sausage Breakfast on Sunday, October 14, 1979 from 8:00 a.m. to Noon at St. Mary's Family Center. Cost will be \$3.00 for adults, \$1.00 for children 5 to 12 years of age and children under 5 free. All you can eat. Everyone welcome.

Carlisle Canoe Paddles... 'Born in a Boathouse'

By Joe Schrader

Innovation and determination. That may well be the best way to describe the success story associated with the birth and growth of Carlisle Paddles, Inc., a local industry thriving in its new facility on North Down River Rd.

Born in an boathouse, the business, for the most part, an assembly operation, produces and markets the finest, most durable canoe and kayak paddles, oars and related accessories in the world. They're known in national and some international circles as "the rugged ones."

President and founder, Ken Carlisle and his wife, Viv, reflect with nostalgia and some amusement back a few years to the boat-

house days when the business was born. "When it got to the point we spent two days a week repairing paddles at our livery," said Carlisle, "we darn well knew there had to be a better way." The couple owned and operated Carlisle Canoe Livery at the time.

In 1968-69, Carlisle began experimenting with a metal paddle, one durable and sturdy enough to withstand the constant strain of livery use. The paddle that boasts the trademark, "the rugged one" soon became a reality.

Operating in the cramped facility with equipment he made himself, Carlisle perfected the metal paddle that quickly made its mark on the canoeing scene. But it was no easy

task-and developing a market was even tougher. "Why I can recall when prospective buyers would beat one of my paddles on the ground time after time after time, relentlessly testing its strength," said Carlisle with a smile, thinking back to those early days.

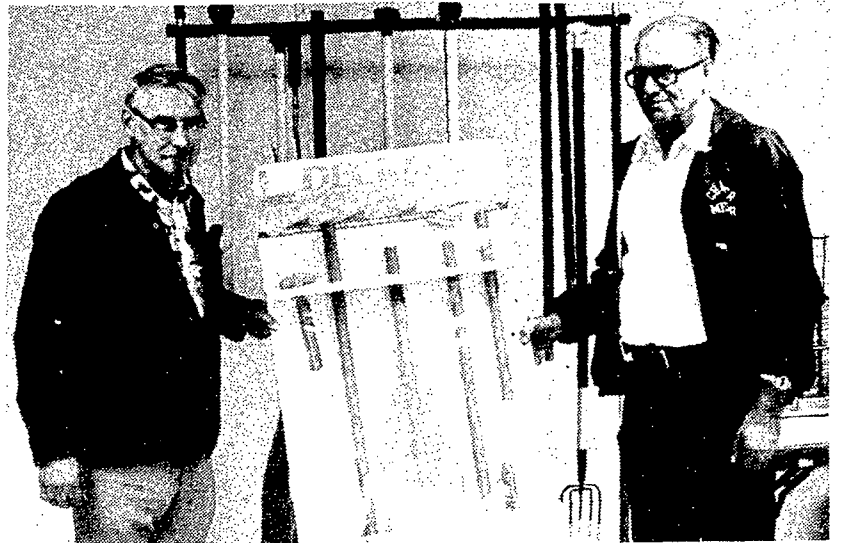

While Carlisle worked long hours in the boathouse, continually experimenting with new paddle designs, his wife was busy taking care of book-keeping and secretarial chores while searching out new customers at the same time. "Many of our first contacts came through letters sent to livery owners who advertised in sporting magazines," she recalled. After a process of trial and error, the business took off and is now one of the leading manufacturers of canoe-kayak paddles and boat oars in the nation.

Other local liveries assisted in fostering the growth of the Carlisle paddle. They served as sort of a "proving ground", reporting back to Carlisle on the paddle's durability-helping to develop quality standards-plus adding some new ideas of their own.

But when the business quickly outgrew the boathouse setting, the Carlisle's sold the livery and moved into a manufacturing facility on Down River Rd. That was in 1974 and the business was turning out some 10,000 paddles a year at the time. Even in the larger building, though, the Carlisle's continued to operate the business alone, and did so for the next four years, until in the Fall of 1978, they built a new, modern, 6000 sq. ft. building adjacent to it.

Prior to construction of the new facility, the business added to its managerial staff with the addition of Ralph Stevens, who joined the firm in the Spring of 1978. Stevens serves as the company's Vice-president and handles all the marketing, advertising and sales promotion responsibilities and over-

Public Invited Friday

Lt. Gov. Brickley To Review Aviation Bldg.

Lieutenant Gov. James Brickley will review the building progress of the \$269,456 facilities expansion of the Kirtland Community College Aviation Maintenance Training Program on October 12, at 9:00 a.m. at the Grayling County Airport.

An addition, Kirtland's President, Raymond D. Homer, invites the public to also view the progress being made at the facility, and to meet Lt. Governor Brickley.

Brickley holds a Bachelor of Philosophy and Law Degree from the University of Detroit, and a Master's Degree in Public and Administrative Law from New York University. He was the first elected Lieutenant Governor with Governor William Milliken in 1970. From 1975 to 1978, he served as President of Eastern Michigan University. In 1978, he was again elected Lieutenant Governor with Governor Milliken.

Grayling Jaycees Receive Charter

On Friday, October 5th, the Grayling area Jaycees were officially chartered by Jaycee's International and the United States Jaycees at a dinner meeting held at the Holiday Inn.

Bob Vining, Chairman of the Board of the Michigan Jaycees, was guest speaker. Mr. Vining talked about the three-part Jaycee commitment, the first being community development; second, individual development, and spiritual development.

Jim Mudge opened the program with the invocation. Vice-president Dave Wiltse acted as Emcee for the evening. President Jim Weadbrock reported on the progress of the Grayling Jaycees and some of the upcoming projects, like the Haunted House October 26-31 and Membership Night on October 11th. Weadbrock also presented awards for Jaycee of the Month to Dale Nielson for the month of June; Tom Siwula, July; Fred Hinkle, August and Brad Scheer, September.

Among the sixty who attended the Charter Dinner were representatives from Grayling; Traverse City, Charlevoix and the Rose City Jaycees.

Appreciation was expressed to radio stations WGRY, WQON and the Crawford County Avalanche for their support in advertising the Jaycee projects.

Warning

Range firing will be conducted by units of Michigan Army Air National Guard during the period 10-14, 16-21, 23-27 and 30-31 Oct 79. Small arms, demolitions, helicopter gun ships and high performance fighter aircraft will be firing on the ranges located at Camp Grayling during this period.

The ranges will be closed during the above dates and all persons are warned to stay out of the range areas.

THE AMERICAN RED CROSS—was chosen by Grayling Mayor Gordon "Sandy" Thompson to be recipient of a \$256 donation made by Wendy's on the opening of its restaurant September 27th. The traditional donation by Wendy's to the Mayor of the City in which it opens a new business represents the number (256) of hamburger combinations it is able to serve.

Mayor Thompson accepted the gift on behalf of the City, then turned the donation over to the Crawford County Chapter of the American Red Cross. Shown above is Harrison Goodhue (left), County Red Cross Chairman, accepting the gift from Mayor Thompson (center), while Lou Sabitini, Area Director for Wendy's, looks on. (Joe Schrader photo)

Would You Believe?

By Harrison Goodhue for American Red Cross

Most people have never heard of Red Cross Service to the Members of the Armed Forces of the United States, their Families and Veterans. Most of those who have heard of it assume that the cost is paid for by some Government Agency.

In 1901 when the Congress of the United States Chartered the American Red Cross as a legal entity it required American Red Cross to render assistance to members of the United States Armed Forces, their Families and Veterans, in all times of need regardless of peace or war.

In complying with that mandate American Red Cross maintains a paid, trained, Staff field Director at every Military and Naval Base in the United States and Overseas; a world wide communication system for contact with bases outside the United States, headquartered at Washington, D.C., known as AMCROSS; and virtually every one of the over 4000 County Chapters of Red Cross in the U.S. provide Volunteers who handle communications 24 hours per day, 365 days per year.

The cost of this Service to Military Families and Members of the Armed Forces takes about one third of the budget of the National American Red Cross operations, somewhere in the neighborhood of \$45,000,000 annually. Sort of shakes you, doesn't it?

The question is, is it worth while? Ask any Serviceman or Servicewoman or their Families if they have been involved and they will tell you in no uncertain

terms how worthwhile and vital it is.

But let me give you some examples of what this Service means right here in Crawford County. These are all actual instances which took place within the last sixty days.

A grandfatehr expired abruptly and unexpectedly under tragic circumstances. The family wanted the Serviceman grandson to come home immediately from his midwestern military base, and, as there had been an unusually close relationship between the grandson and grandfather, they wanted the news broken gently and they did not want to do it themselves over the telephone.

Sen. Levin's Aide at Kalkaska

U.S. Senator Carl Levin (D-Mich.), has announced that Constituent Service Representative, Jim Turner, will be holding office hours in Missaukee and Kalkaska counties Monday, October 22.

Office hours will be as follows:

Lake City, 9:00-11:00 a.m. in the Courtroom of the Missaukee County Courthouse.

Kalkaska, 1:00-3:00 p.m. in the Commissioner's Room of the Kalkaska County Building.

Turner will be pleased to assist in solving any federally related problem or to discuss issues of concern to you or your community. No appointment is necessary.

If you are unable to see Turner during these hours, please call or write Senator Levin's Regional Office in Alpena. The phone number is (517) 356-6122; the address is 106 Water Street, Alpena, Mi. 49707.

Host Charlevoix Friday Devils Spear Vikes, 31-7

by Joe Schrader

The Grayling Blue Devils football squad made the school's Homecoming celebration a complete success last Friday nite when they hosted the Vikings and romped to a 31-7 victory. The win left Grayling tied for the MHS-conference lead with Cheboygan, both sporting unblemished, 4-0 records. The Grayling loss dropped its league mark to 1-2 and overall record to 3-2.

The Vikings will continue MHS-conference action this Friday night when Charlevoix comes to town with kickoff time set for 7:30 p.m.

No question about it, Grayling's a good team, a

real powerhouse," commented Head Coach Bill Klinger, "they were one of the pre-season conference picks along with Cheboygan."

A play that Klinger thought was pass interference against Grayling early in the 1st quarter was a key factor in the early going. "That should have been called against them," Klinger said afterward, "we could have been ahead 7-0 but instead found ourselves behind that score shortly after." Mistakes and penalties by the Vikes turned into breaks for Grayling and Klinger added, "we'll go back to the drawing board this week in preparation for Charlevoix-those mis-

takes we made let Gaylord put the game out of range for us."

Grayling raced off to a 24-0 halftime advantage and had the game pretty much pocketed before the second half kickoff, aided in its efforts by a couple of Viking miscues.

From Our Corner ...

A cold miserable, drizzly, blue Monday greeted us this morning and has seemed to put a damper on our thoughts all day...the sky and weather is too much a resemblance of what is in store for us in the next couple months...

The nasty day evidently was no concern of the voters on the school millage decision...at 6 o'clock there were 1916 who had cast their ballot in Grayling alone, there is still Frederic and Lovells precinct to be added to this turnout...

If we had our druthers...we much prefer the Indian summer we experienced just a couple weeks ago...

In case you hadn't noticed, the aforementioned was strictly put in to help the ole fella fill up his corner tonight...we are biding our time for a phone call on the results of the millage vote...

The word just came on the out come of the vote... The schools will remain open for another year with the affirmative vote by the electors on proposition one...they also made it infatic on proposition two they decided it by shooting that down...

Evidently this is what the school administration is going to have to live with...just teach the ABC's and get all the so-called frills...

Really, proposition one did not win that big...1444 against 1366...prop two...did not have a chance when the out come was 1610 against 1164 yes...

Some day we hope to see a school district, such as ours, vote down a similar election that has been traumatic to all interested and find out what recourse the district has if there is no money available for even operation...then, and maybe only then, the state will get off their pervivable butt and come up with some sort of financing for schools other than property taxes...we hope that our district is not the guinea pig...but it has to happen...

We planned on letting our diligent readers know last week that T.J., Stef and Mom had spent the weekend with us but we just ran out of room...they were here to accompany the bride and I to Gaylord for a little get-together seeing as how our sister Jen, who lives in Boyne City is leaving to spend the winter in Missouri so she can be near her two sons...we also have another sister Blenda, and brother Svend, who resides in Gaylord until the snow comes, then they head south...they are much older than I...that's why you can find us up here in the snow drifts all winter long...

An idle thought...the bride works for people who think Columbus beat Lief Erickson over here and had the day off...so you guessed it she headed for T.C. for the day...our thought right now is what can we expect to eat when we get home tonight...the peanney butter sandwiches we had at noon just aren't hanging to the ribs about now...

Have a nice one...be a friend, and you will gain one...

William G. Milliken
 Governor of the State of Michigan
 presents this
Executive Declaration
 in Observance of
October, 1979 as
Learning Disabilities Month

Throughout Michigan, thousands of children perform poorly in school because of problems in one or more of the basic psychological processes involved in understanding or using spoken or written language. They are not mentally retarded. In fact, these children often possess normal or above-normal intelligence.

The Michigan Association For Children With Learning Disabilities is a group of dedicated parents and professionals who work together at state and local levels to insure appropriate public school education for children with learning disabilities. More than 1,700 individuals work in local chapters throughout the state to provide information to members and understanding to parents who often feel alone in dealing with attendant problems. The Michigan Association For Children With Learning Disabilities also provides parent advisors to assist with school placement and to help schools better understand the Education for All Handicapped Children Act and basic civil rights provisions as they relate to handicapped citizens.

During the month of October, public attention will be focused on the problem of children with learning disabilities throughout most of the United States.

Therefore, I, William G. Milliken, Governor of the State of Michigan, do hereby declare October, 1979, as Learning Disabilities Month in Michigan, and urge all citizens to give appropriate recognition to those groups working to increase public awareness about, and assist educators in, dealing with learning disabled children in Michigan.

Given under my hand on this thirteenth day of September in the year of Our Lord one thousand nine hundred seventy-nine and of the Commonwealth one hundred forty-third.

William G. Milliken

The Bible Speaks

from Calvary Baptist Church

MISSING HEAVEN BY ONE LETTER

Galatians 3:15-18

Men make legal agreements which cannot be broken by anyone else, how much more can God make an agreement which must last for eternity? "Brethren, it be confirmed, no man disannulleth, or addeth thereto. Gal. 3:15.

Men are quick to tell you the people at Calvary Baptist Church are not right because they believe the Bible literally. The truth supports our position. Those who wrote and believed the New Testament, also accepted not only word level inspiration for the Bible, but even letter level within the very words of God. "Now to Abraham and his seed were the promises made. He saith not, And to seeds, as of many; but as of one, And to thy seed, which is Christ." Gal 3:16. God made the promises of salvation to Abraham not to be received by obeying the Old Testament law like the many seeds of Abraham, the nation of Israel, but rather by faith in the one savior of Israel, the Lord Jesus Christ! Read carefully also Romans 10:1-10. Israel sought righteousness by obedience to the laws of God which demanded perfection. God promised righteousness to those who confessed faith in the death, burial and resurrection of Jesus Christ for their sins. He promised salvation only to those who called upon the name of Jesus Christ for salvation. Romans 10:13. Israel sought salvation through the seeds of Abraham, by the works of the law. God provided salvation through the seed of Abraham, the

grace of God in Christ Jesus. You may miss Heaven by one letter of the Hebrew which makes the difference between law and grace.

The promise of salvation by simply believing the promises of God's Word, cannot be changed by the giving of God's law which came 430 years later. "And this I say, that the covenant, that was confirmed before of God in Christ, the law, which was four hundred and thirty years after, cannot disannul, that it should make the promise of none effect." Gal 3:17.

Grayling is full of churches which make obedience to God's laws a condition of receiving the blessings of God's promises through Abraham.

The Bible makes a clear difference between those who believe salvation is by obeying the law of God and those who believe salvation is through believing the promise of God in Christ Jesus. "For if the inheritance be of the law, it is no more of promise; but God gave it to Abraham by promise." Gal 3:18.

My friend if you think obeying certain rules of the Bible or even those stressed by your church can take you to Heaven, you are on your way to Hell. Only faith in Jesus Christ, believing God's Word that He died for your sins and arose to give you eternal life can save you for eternity. The covenant of God's grace promised in the Bible cannot be broken even by God's law. (adv.)

Red Cross
 (Continued from Page 1)
 his German military base. The Serviceman had lost all his luggage on the bus; had no razor, kit or clothing; and no money to replace his things as he had spent all his funds while on leave at home. The father wanted to send several hundred dollars to his son for new uniforms but didn't know how to do it. He was told to deposit the money to the Chapter's account at the Grayling State Bank the next day and we would authorize the money to be released to his son upon arrival at his base in Germany. It was.

There was a telephone call from a military base in New Jersey one afternoon. The situation was most unusual. The Field Director at the Base had just talked to a young Serviceman who was in isolation at the base hospital; placed there immediately upon his return from leave the day before when he reported at sick bay as he was ill.

The Serviceman could not talk to his wife on the telephone, but he had promised to call her as soon as he arrived at the Base. He wanted his wife to call the Hospital and ask for a specific Doctor who would explain why the isolation pending accurate diagnosis of his illness.

The Serviceman wanted the message handled tactfully, as he had been under the weather while at home, and he did not want his wife unduly frightened. We were able to contact his wife and handle the message as he requested.

There are an average of 4 to 5 Service to Military Family Cases every week in Crawford County. They are handled by one of two Volunteers, who, between them, manager to cover the bases 24 hours per day, 365 days per year. This is another Service rendered by Red Cross and only by Red Cross, and is another reason why American Red Cross deserves the generous financial support of every one.

Crawford County Chapter-American Red Cross. Contributions should be sent to Crawford County Chapter-American Red Cross, RR 2, Box 2515, Grayling 49738.

Think all checking packages are as alike as peas in a pod? You're wrong.

Lots of banks have "packaged" services and benefits into a special checking plan. Most of those checking packages give you several standard services — no service charge checking and personalized checks at no extra charge — and other bank services at a discount. The Club gives you all those things, too. But that's where the similarity ends.

The Club is different because it's better. The Club gives you more.

For instance, not every checking package offers accidental death insurance. The Club does — \$10,000 worth with a standard membership, with additional coverage available. Most checking packages also offer discounts — sometimes useful, sometimes not. The Club gives you national discounts with major companies. On hotel rooms, rental cars, books, theme park admission charges — all kinds of products and services your family can use. And there are new discounts in every

issue of Clubmate, The Club member newsletter.

There you have it. All checking packages are not the same. We think The Club gives you more than any other. For \$3.50 a month, it's a real banking bargain. Join The Club today.

Bits O'Talk

By Fay Bovee

Earl and Jeanine Jensen and son Eric, of Troy, Mi., were guests of the Jim McClains the weekend of September 29, coming for the McClain-Peterson wedding.

Mrs. Cathy Lester and two sons, Joseph and Arthur, left on Monday for London, England, enroute to Dhahran, Saudi Arabia, to join her husband, Claude. The Joseph Stripes took her to Metro Airport.

Art and Monica Weideman attended the Real Estate convention at the Renaissance Center in Detroit on Sunday and Monday. They stayed with their daughter and family, Arthur and Cindy Wakeley in Westland. Clyde and Mary Gretchen Borchers and John and Norma Naur attended the convention from Monday to Wednesday.

Mrs. Pat Fleagle and son Robert, of Chicag Ridge, Ill., visited her parents, the Robert Winslows, from Thursday to Sunday of last week.

Dale and Norine Kenyon and sons, Randy and Rick, have moved to their new home in Eckerman, near Paradise, in the Upper Peninsula. The Mickey Stillwagons are renting the Kenyon home at Lake Margrethe. Mickey and Dolores visited her parents weekend before last.

The Nelson Miles were in Birmingham for a week recently where they went to give up the apartment that they had maintained there for many years.

Bob and Fay Bovee attended the ACCT convention at the RenCen in Detroit for several days last week.

Though winter is closing in, there are still improvements going on in Grayling. The Keyport Clinic has a new coat of pale yellow paint to finish off the face-lifting it had this summer. The Mattie Bach home on Park Street, formerly the Serven home, has new green siding and the old Bielski home on State Street is disappearing.

Congratulations to Harvey Rowland who scored a hole-in-one recently at Michaywe' Golf Course. A nice way to finish off the golf season.

Alan Hawley, a senior at Michigan School for the Deaf in Flint, is a member of this year's varsity football team. Alan is the son of Mr. Chester Hawley of Grayling.

CARD OF THANKS

Friends and relatives-I want to thank all of you for being so kind to me in my time of sorrow.

Lovells News

By Ruth Caid

Mrs. Sophie Koerke returned home Saturday, after visiting her daughter and family, Mr. and Mrs. Tom Stalker in Saline.

The Cheerful Givers will meet Thursday evening at the Clubroom at 7:30 p.m.

Mrs. Violet Stafford is a patient at Mercy Hospital. Her many friends wish her a speedy recovery.

Senior Citizen Day is Tuesday the 16th at the Ladies Clubroom, starting at 11 a.m., dinner at 12 Noon. Come have your blood pressure checked.

Mrs. Ruth Caid is visiting her granddaughter and family, Mr. and Mrs. Dave Paquette in Mt. Clemens.

Last week 27 ladies of the community enjoyed a trip on the AuSable River Queen. Later they had dinner at the Garland Country Club in Lewiston.

Deni and Lori (Knowles) Martin are pleased to announce the birth of their son, Bryan Charles on Wednesday, October 3rd at Sparrow Hospital in Lansing. The Grandparents are Mr. & Mrs. Calvin Knowles of Grayling and Mrs. Norah Martin of St. Clair Shores.

Rev. and Mrs. C.F. Olin of Florida visited the Carl Bartell's and David Englund's of Grayling, and the Paul Hendrickson's of Alpena, last week. Then going on to visit her daughter, Dr. & Mrs. Alden Wiley and family of Iowa.

Mr. and Mrs. Leo Nellanback of North Branch visited their old neighbors, Laura and David Smith last week. On Sat. they were surprised and pleased by a visit from Mrs. Wesley (Joanne) Sammons, who flew up from New Port Richey, Fla. The ladies are sister-in-laws. Other visitors of the David Smith's were their cousins, Mr. and Mrs. Dexter Sauls of Lachine and Rosalie Sauls of Alpena.

G.H.S. Girl Cagers Bow To Kalkaska, 46-36

Despite leading by one point at halftime, the Grayling Girl's Varsity cage team could not contain Kalkaska in the second half and dropped a 46-36 verdict last Tuesday night. The Blazers led 8-2 at the end of the 1st quarter, but the Vikings outscored them 15-8 the 2nd quarter to take a 17-16 halftime advantage.

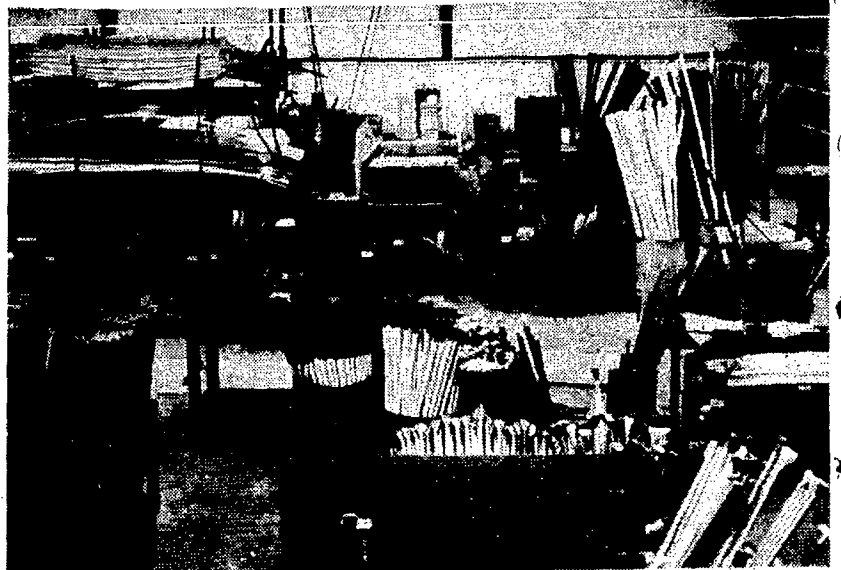

Kalkaska roared back in the second half, though, outscoring Grayling 30 to 19 to walk off with the 10-point victory. It was the Vike's second loss to 'Kaska this season and dropped their record to 3-2.

Karen Hanson hit double figures for Grayling, scoring 14 points while hauling down 6 rebounds. She also had five steals. Jane Baynham had 4 points and 15 rebounds, Regina Methner added another 4 points with 9 rebounds and Brenda Carlson, who was credited with a fine overall game both offensively and defensively, had 6 points and four rebounds.

In JV action, the Vikings beat Kalkaska for the second time this year by a 20-16 margin, playing a good, overall game. Their season record now stands at 2-3.

sees the office management function. When Stevens joined the firm, the company incorporated as well. "The canoe paddle led to the Kayak paddle, then to the boat oar, then on to the various accessories," said Mrs. Carlisle in describing the company's growth. Now Carlisle Paddles, Inc. sell some 35-40,000 canoe paddles a year, 6000 boat oars plus the variety of accessories that compliment the product line. Shipping is done by motor freight and United Parcel Services.

All Carlisle paddles and oars are constructed of corrosion resistant ABS plastic and tempered aluminum for a long life even in salt-water. The aluminum shafts their plastic covering and blades are manufactured to Carlisle specifications and assembled here. Lengths vary from 5' to 14' and blade sizes range from 5 1/2" to 8 inches in width. The paddle's unique "break-down" feature allows its length to be varied and provides comfortable storage and portability. Seven different colors make up the product line. Accessories include fish nets in varying diameters, gaff hooks and smelt-dip nets. The company has just recently developed and introduced a "Hang-um-All" rack for customer display purposes. Another new innovation is the Carlisle Deckmate Kit. It's a paddle-it's a scrub brush-a mop and a boat hook rolled into one. Attachments are changed with the push of a button-

kit designed for yacht owners. New too is a fish spear that can be shortened or lengthened from 4' to 7'. Carlisle prides himself with developing and producing products the marketplace asks for. He anticipates future growth and versatility down the road.

The business operates year-round, although Spring and Summer are peak periods. Three employees are on Carlisle's shop payroll now—Rod Verac, Larry Ostrander and Charles Smith-plus a secretary, Grace Feldhauser. As many as six have been employed in the shop during the summer months. Almost all the equipment used is still homemade—just like back in the boathouse days.

Carlisle, who spent 30 years working in Saginaw before moving to Grayling, does all the design work himself and many items in the company's product line came about because he was "challenged" to make them-like the boat oar for example.

So the company that began as a fledgling in a boathouse, now sells its quality products nationwide and in Canada and Australia as well.

A durable-sturdy-long-lasting-stylish-practical & virtually maintenance-free paddle that gained the reputation of being the "rugged one" is the Carlisle trademark.

Everyone thanks the ladies that worked on the Bake Sale at Van's Lumber, Friday and Saturday, and also to Van's Lumber for allowing us to have the sale. It was a great success.

Our monthly meeting will be held Thurs., Oct. 11th at 1 p.m. in the North Wing. We would like all Ladies to be there as it is the last one before the "Silver Tea Bazaar", many things will be decided.

SPECIAL SOCCER OLYMPICS—235 handicapped kids visited Grayling, along with their chaperones & coaching staffs this past weekend to participate in the Special Olympics Soccer tournament at Camp Grayling, the first time such a tourney was ever held outside a metropolitan area.

Despite cold and rainy weather, their spirits were not dampened as the soccer competition was fierce all day Saturday. When not competing, the kids enjoyed all sorts of special activities planned throughout the weekend. These included movies, a model airplane demonstration, a tank display by the Grayling Unit of the Michigan National Guard and a Victory Dance Saturday night handled by Mike O'Day of WQON. Free tours of the Bear Museum were available to the kids all weekend as well.

Division I soccer winner was the Washtenaw Peles (Ann Arbor); Division II winner was Genesee Learning Center (Flint) while the Muskegon team walked off with top prize in the Junior Division. Two area C.O.O.R. teams finished second, one in Division I and the other in the Junior Division. Other teams participating in the tourney included Grand Rapids, Monroe, Midland and Lapeer. Pictured above are Grayling kids (top) who were members of local teams and part of the group itself (bottom) enjoying breakfast Sunday morning. Mike Eva of the C.O.O.R. office in Roscommon coordinated the event from the local standpoint. (Joe Schrader photos).

Bryon L. Autrey
On Friday, Oct. 12th, Bryon L. Autrey will be in Grayling to perform with the High School Marching Band. He will perform "La Virgen de La Macarena" and "Post Horn Galop".

Byron L. Autrey, Chairman of Brass and Professor of Trumpet at Michigan State University, has appeared in 42 of the United States of America, in England and in France as a soloist, brass clinician, and consultant to brass instrument manufacturers.

Mr. Autrey has been principal trumpet and soloist with many symphony orchestras and Bach Society Orchestras in the mid-west. Arthur Fiedler and Robert Shaw are among the notable conductors for whom he has performed. Mr. Shaw has praised Mr. Autrey as one of the world's most distinguished performers of the difficult trumpet parts in compositions by J.S. Bach.

Mr. Autrey has been conductor and musical director of the National Champion VFW Band, the Lansing Community Band, and the professional Grand Rapids Municipal Band.

Robert Harris was a student of his for three years. This will be a truly exciting experience for the community of Grayling.

Editor's Mailbox
Oct. 4, 1979

Dear Editor:
I recently received a letter sent by concerned parent's regarding the consequences should the School millage fail to be passed by voter's on Monday October 8th. I regret not having received this letter soon enough to respond before the election, which by the time this letter appears in your Paper will have been decided by the voter's. It is my sincere hope that the outcome will have proven in favor of the millage. I make this statement not as a result of the letter I received, which did not mention the most important loss as a result of a millage defeat, that being the loss of an investment in all our futures in the form of Scholastic activities. This letter instead dwelled on the loss of Sports, although there was an element of truth in this loss that being the fact that student participation in Sport activities develops self confidence, determination, and most important an incentive to learn.

Had I not already made the personal decision to vote in favor of the millage this letter would have caused a very negative reaction. I found the letter an insult to my intelligence, as any taxpayer can readily understand that without operating funds not only extra-curricular programs but basic education as well will suffer. This "tactic" of intimidating voter's into favorable voting is not new to this area, in past millage proposals the same attitude has prevailed. It is my belief that this attitude has been responsible for much of the negativism expressed by the voter when asked to approve millage proposals. I would suggest, with this letter, that future school millage proposals attempt to establish an extensive understanding, instead of "threats" which only insult and anger the very person to which the School Board is dependent on, that is the VOTER.

This letter, so far, has expressed dissatisfaction toward the School system. What of the voter responsibilities? I place myself at the head of this list, in doing so I readily admit my own negligence and point out as well those others within this community who do not seek out, or demand, the information which will provide us with the means of understanding our governing body needs. It makes little difference if this governing body is the local school board, county, city or state government. Without participation of the Voter there is no public service in our political system which can function, let alone survive.

I would take issue also with the opposition to the recent and past school millage attempts. Why? Because many of these I believe have been based on objections of individual expense. Educational costs, I believe, as expressed earlier in this letter should not be thought of as an "expense", but rather as an investment. This investment is not one of short term either. Without "investments" of past generations neither myself, or anyone reading this letter would be enjoying the standards we presently live within.

In closing I would state that the School Board has an obligation of realizing their responsibilities of serving the Public. By establishing a program of public understanding, through participation, this can be accomplished. With an administrative leader of the quality exemplified by Dr. William Diedrich, and the support which we as community residents can provide by becoming involved, future conflicts can be lessened if not avoided altogether.

Sincerely,
Peter W. Stephan

Lovells Township Notice

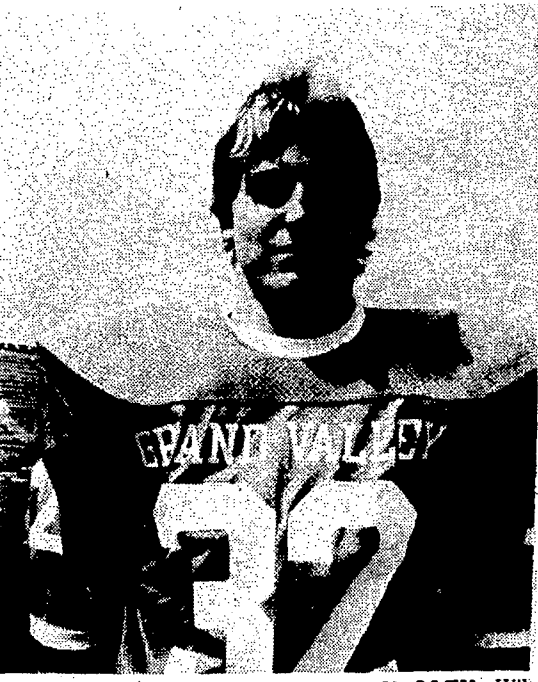

The following amendments to the Lovells Township Ordinance No. 2 were adopted at a regular meeting of the Lovells Township Board on September 11, 1979 by a vote of 5 to 0 and are given immediate effect.

1. An amendment to Chapter IV, C-B, Commercial and Business, being the Zoning Ordinance of Lovells Township, by amending Town 28 North, Range 1 West, Number 3 described as follows:
"Beginning at the intersection of County Road 612 and Lovells Road running on the east side of County Road 612, 1320 feet north by 300 feet wide measured from the right of way line in section 19." And to rezone by adding Paragraph 2 to Town 28 North, Range 2 West, described as follows:
"A parcel of land from a line along the west side of Twin Bridges Road and being 300 feet deep west of Twin Bridges Road and extending from County Road 612 to right of way west."

2. Amend Chapter VIII, C-B Commercial and Business by adding a new section as follows:
Section 8.6-Signs. No signs shall be erected or used in this zone except those which meet the following conditions:
(a) Pertain only to the permitted use of the premises.
(b) One freestanding sign may be erected on each abutting street identifying the area provided it has been approved by the Zoning Board.
(c) Any signs projecting above the building roof line shall be approved by the Zoning Board.
(d) Does not face an adjoining residential district.

3. Amend Chapter XIII, Board of Appeals, Section 13.3-Rules of Procedure as follows:
(a) "Meeting of the Board shall be held twice each year, and at such additional times as the Board may determine. The time of regular meetings shall be specified in the rules and regulations. There shall be a fixed place of meeting and all hearings shall be open to the public."

Helen M. Spencer
Lovells Township Clerk

WILL ROACH STARS AT GRAND VALLEY—Will Roach has been doing a great job so far this season for the Grand Valley Lakers. The former Grayling High School standout has helped the Lakers to win big in their last two outings.

So far on the year Roach has carried 45 times for 238 yards for a 5.3 yard per carry average. Will has also been finding his way to the endzone more this year with five touchdowns in the first three games.

Roach is expected to set some records before his career is over but until then he will be working on some personal goals. Right now Roach only needs 14 more yards to break 1,500 yards and with seven games remaining 2,000 yards should be no problem. He also needs just one more touchdown to mark 20 career TD's.

With the help of players like Will Roach the Lakers have trampled their last two opponents the last of which was Franklin Ind. whom the Lakers wholoped 56-14.

CLASS STUDIES TREES—Recently Mr. Hayes' science class studied trees. Included were the parts of the leaves, tree, and tree trunk. Here you see Mr. Hayes posing with a chain saw. For safety reasons the saw was not running for this scene. However, after the students and Mr. Hayes posed for the picture, the students were put at a safe distance while Mr. Hayes and Mr. Nunn cut a piece of wood for almost 80 fourth grade students. Did you know that a four inch oak tree in this area is approximately 20 years old?

Historical Society Volunteer Dinner Held

The Historical Society of Michigan is the only state wide non-governmental organization working to preserve Michigan's heritage. The Crawford County Historical Society is proud to be a part of more than 6,000 individuals and organizations helping in this preservation.

Our attendance record for the past summer was not up to expectations. Although there were over nine hundred registered visitors. It is difficult to pin point the reasons for less visitors this year than in the past. The museum was not open as many days this summer as in the past due to sickness and lack of volunteers. We really appreciate the help that our wonderful volunteers contributed to the cause.

Each year we get the sad news that one or more of our wonderful people have been called by the Lord.

Each year the Crawford County Historical Society always tries to reward the

volunteers by taking them out to lunch after closing the museum. This year it was decided by the committee to have a dinner instead of a luncheon due to the limited time at noon by some of the volunteers.

On the evening of October 3rd the following people gathered at the Holiday Inn for dinner and a short meeting: Ingeborg Leslie, Mary Harland, Edna Feldhauser, Emma Knibbs, Sal Truettner, Johanna Gorman, Anna Legner, Esther Bryson, Laura Johnston, Elizabeth Atkinson, Florence Johnson, Mickey McCombs, Lois Lash, Richard Lovely, Olive Lovely, Clarebell Goss, Bessie Deckrow, LeRoy Akers, Marie Akers, Margaret Douglas, Ruth Caid, Nancy Lisman, Loretta Barnes, Mattie Lowe, Margaret L. Fenton and Elmer L. Fenton.

These are the people acting on a volunteer basis who have spent many hours working to maintain

and keep The Crawford County Historical Museum open for the residents of Crawford County and others.

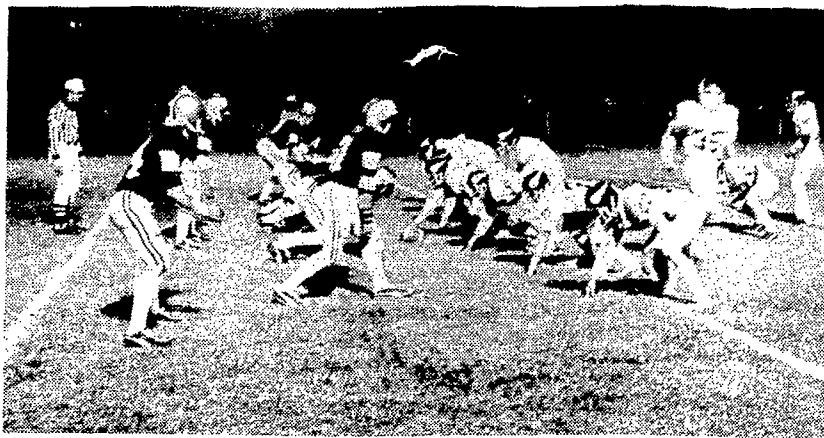

We are proud of our Crawford County Historical Museum and really appreciate all the volunteers help, memberships, publicity, pictures, and artifacts that help to make our museum grow.

I might state at this time that we got the outside of the museum painted this summer. It has improved the looks of the building a great deal.

I would like to thank the volunteers, members of the committee, R.S.V.P. office, people who took out memberships and other supporters of the Crawford County Historical Museum. All your support is greatly appreciated.

Elmer L. Fenton, Curator Crawford County Historical Museum

The Avalanche—Your Want Ad Paper

VIKES IN ACTION—QB John Junttila prepares for the snap from center in a play against the Blue Devils while tailback Billy Lucksted (No. 35) swings into motion. (Joe Schrader photo)

Football

(Continued from Page 1)

Grayling took the game's opening kickoff, failed to move the pigskin and punted to Gaylord whose initial drive also stalled. But the Blue Devils got their first break shortly after when a John Junttila

pass was picked off and carried to the Viking 2-yard line. On the first play, Gaylord cracked over for the TD. The point-after was good and the Blue Devils were out in front to stay with 5:47 left in the opening quarter.

Grayling threatened early in the 2nd quarter when they moved the ball to the Gaylord 24-yd. line. But on a 3rd down and long play, QB Junttila was sacked by Blue Devil defenders on the 44-yd. line and Gaylord took over. Too long gainers by tailback Doug Mead carried the ball into Viking territory at the 25-yd. line. Scott Hansen was stopped for no gain but Mead swept to paydirt the next play from 25 yards out, the conversion was perfect and Gaylord upped its lead to 14-0.

With just over a minute remaining in the half, Gaylord kicked a 15-yard field goal, making the score 17-0. Grayling took the ensuing kickoff and on the second play from scrimmage, Gaylord's Chris Renkiewicz fell on a Grayling fumble on the Viking 25. QB Eric Kehler flipped a scoring strike to wide receiver Dave Becker on the next play, the kick was good again and with time running out in the half, Gaylord held a commanding, 24-0 lead.

The Blue Devils ran their lead to 31-0 in the 3rd quarter and the teams played standoff football until late in the game when Grayling averted a shutout. Defensive back Bill Lucksted intercepted a Blue Devil pass and returned the ball deep into Gaylord territory. The Vikes moved the ball to the 5-yd. line where Jerry Lucksted bulldozed over for Grayling's only TD. Todd Dunkley's kick was good.

Statistically, Grayling rolled up 179 offensive yards, 114 on the ground and 65 in the air. Jerry Lucksted was leading groundgainer for Grayling with 64 yards while Billy Lucksted ran for 50. QB Junttila hit on seven of 17 passes, three to Bill Lucksted for 38 yds., two to Jim Kitch for 11, one to Jerry Lucksted for 10 and one to Todd Dunkley for six.

Defensively, Matt Mahaney was in on 12 tackles. George Bindschattel 9, Terry Lucksted, Bill Lucksted and Jerry Lucksted, along with Tim Jones, 8 apiece.

In JV action last Thursday night, Gaylord came to town and blanked the Vikings 28-0. The JV record now stands at 2-3 for the year.

RLDS Consecration Service Sunday

service, he was stationed in New Mexico as a Medical Corpsman. While in Medical School, Doctor Gosling spent two summers working in the Grayling area. He received three years of postgraduate medical education in Family Medicine from the Saginaw Cooperative Hospitals Family Practice Residency, finishing in 1979. Doctor Gosling resides with his wife, Marti, and their daughter, Meghan Leigh, now 5 months old, at 209 South Drive in Grayling's North Park Subdivision. His hobbies include trout fishing, sailing and bridge. Doctor Gosling is the son of Mr. and Mrs. Harry P. Gosling, 208 S. Cherry Street, Kalkaska. His wife is from California.

WHY???

One of the delightful things about people is that everyone is different. Not just in physical appearance but in abilities, emotions, make-up, cultural heritage, interests and behavior. It is interesting to contemplate the "why" of behavior. Why do some people choose bowling instead of reading, skiing, instead of bridge. Or why do some people volunteer their time? Is it because volunteering fulfills a special need for them? Does it make them feel they are contributing a worthwhile service to their community? Are they a happier person because they volunteer? Are they working on a more positive self-image? Do they enjoy seeing a child's happy face? Whatever their reason may be, it is a necessary and valuable service they are contributing when they volunteer.

We have started our Volunteer Program this year in the Crawford AuSable Schools. The success of this program depends on those of you who are not content to be observers but want to be involved.

For more information on the Volunteer Program call Cheryl LaDuke, at 348-7641 ext. 52.

Sen Ted Kennedy makes a difference

RICHARD MILLIMAN

The apparently imminent formal entry of Sen. Ted Kennedy into the 1980 presidential race comes as a surprise only to those hardy few of us oldtimers who have the disconcerting habit of taking a situation at face value—even in politics.

Will Kennedy as a candidate for the Democratic nomination for president make any difference in the nominating process? And, if he wins the Democratic nomination, as all the smart money indicates, will it make any difference in the final campaign?

The answer in both cases is yes.

For one thing, this recent turn of events would indicate to me that the Democratic nominating process is going to be hotly contested, and may turn into what we used to call a dirty campaign. Mr. Carter has said he is in the race until the end, which he confidently expects will see a Carter nomination. Of course, I believe him, too. (Columnist's comment: There I go again with that old habit of taking a politician at his word.)

I agree with those who think Mr. Kennedy will have a bit rougher time once he emerges completely into the open. However, I do not expect the national media to be especially harsh in their treatment of Mr. Kennedy, who, like his brothers before him, tends to be power brokers around New York and Washington.

It still won't be easy for Mr. Kennedy, as witness Miss Lillian's openly expressed concern about Kennedy's safety as a candidate.

The going will get rougher—and that goes both ways, too. How many of Hamilton Jordan's problems, for example, stem from the fact that his boss is now being contested for the nomination by Mr. Kennedy?

Then there's the Republican sniping that is bound to occur. When Sen. Howard Baker was in Detroit recently for a speech, he allowed as how Chappaquiddick would not be an issue in the Kennedy campaign as far as Mr. Baker was concerned. In case the point was not clear,

Mr. Baker mentioned Chappaquiddick several times. It reminded me of the 1969 campaign, when Mr. Nixon kept telling his audiences that he would never bring John Kennedy's religion into the campaign...and he said it over and over.

According to the smart money, Mr. Kennedy right now is the favorite for the 1980 Democratic nomination—and that's even before he's formally announced.

As a matter of fact, about all we really have to go on—formally, that is—revolves around Kennedy's family. He has told us that his mother does not object to his running for president, and his wife, too, approves.

In itself, that's a comment of sorts: Here we have one of this nation's leading public figures, Sen. Ted Kennedy, reporting to us that his mother and his live-apart wife have both given their permission for him to run for president. Think about that one for a moment.

But a lot can happen between the fall of 1979 and nominating time in the summer of 1980. In politics, presidential-style, nothing is certain. That, in itself, is politics' only certainty.

Michigan's Gov. William Milliken is a mystery of sorts. Here he is, one of the nation's senior governors...still young, as politicians go...articulate...attractive...experienced...with friends and programs all across the political spectrum. In short, Milliken's natural to step into his party's national political speculation at a high level. But he declines to pursue the political golden fleece.

Time was, in Michigan, when her governors were not all that modest. Ponder for a moment, if you will, how two of Milliken's most recent predecessors—former Gov. G. Mennen Williams, a Democrat, or former Gov. George Romney, a Republican—might have responded under circumstances similar to Milliken's. Both Williams and Romney tried for the brass ring—with far fewer national credentials than Milliken has in his album.

SHERIFF'S DEPT. SHARPSHOOTERS—A 3-person team representing the Crawford County Sheriff's Dept. walked off with the top team award in the 4th Annual Police Combat Shoot held September 23rd at West Branch sponsored by Kirtland Community College.

Shown here are the winning team members (left to right) William Heemer (570 pts.), Jo Ellen Bonnington (518 pts.) and Tom Coors (574 pts.) Their team total of 1662 out of a possible 1800 points took top honors and they carried home the Lawrence Temple Memorial Trophy along with three individual trophies.

Coors also placed second in individual shooting competition with his 574 points which included 21 bullseyes.

The event attracted over 100 participants from northern Michigan police agencies and was organized by the Ogemaw County Sheriff's Dept. (Joe Schrader photo)

Little League Elect Officers

Approximately 20 persons met Wednesday, Sept. 26 to discuss plans for the 1980 Grayling Little League. Members present at the meeting expressed appreciation for the many years Harold Baker was President for the League. Harold took over as President at a time when few people were interested in the program and helped shape the program into the well organized league that it is. Many times Harold went out of his way to make sure that all boys and girls would have a chance to play organized baseball even to the point of coaching a team when his duties as President of the League were more than enough to keep any man busy.

In other activities, members present elected a new board of directors and officers of the League. Board of Directors elected were Jim Gatrell, Mike Scheerer, Bernie Ross and Mike Hauxwell, Mike Johnson was elected alternate. Elected officers are Tom Trenary, Vice-President, Senior League; Dan Sattler, Vice-President, Major League; Randy Laundre, Vice-President, Minor League; Ernie Balch, Player Agent; Beth Money, Secretary; and Ted Kortess, Treasurer. Mick McNamara was elected as Purchasing Agent and Lola Davis as Chairman of the Women's Auxiliary.

Members present also decided to hold monthly meetings the first Wednesday of each month. The meetings will be held at 7:00 p.m. at the Grayling City Hall.

All equipment needs to be inventoried so all coaches should turn their equipment in to their Vice-President in charge, so that new equipment needed may be purchased during the winter.

This special note for creditors of the Grayling Little League, all unpaid bills should be submitted in writing as soon as possible for payment. Bills can be submitted to any board member or officer or may be turned in at the monthly meeting.

Remember meetings are held the first Wednesday of each month and everyone interested in Little League is urged to attend!

Road Commission Minutes

September 21, 1979

A regular meeting of the Crawford County Road Commission was held in their office in Grayling. Chairman Richter presiding. Present were: Chairman, Ervin Richter; Commissioner's Grover Cason and Gloria Kraus; Manager, Charles Fox; Engineer, Ron Herne and Secretary Lorna Bernard. Absent: none.

The minutes of the last regular meeting were read. Grover Cason made a motion to accept the minutes with corrections; seconded by Ervin Richter. All voted in favor, minutes approved.

An adoption of a resolution was made by Ervin Richter and supported by Gloria Kraus as follows:

WHEREAS: The State of Michigan has requested Crawford County's program for bridge replacement projects and

WHEREAS: Crawford County has a number of bridges on the County system in need of repair or replacement and

WHEREAS: The Bridge improvements requested at this time are beneficial to Crawford County

NOW THEREFORE BE IT RESOLVED: That the McMasters Bridge, Fish Hatchery Bridge, on the primary system and Cameron Bridge, Pollack Bridge and Wilcox Bridge on the Local system, be submitted at this time to be eligible for bridge replacement funds.

ALSO: Crawford County is willing to participate in their share of the improvement which is considered to be 10% of the Construction and Construction Engineering.

ALSO: Bridges on the Local system will require the 10% figure to be equally divided between Crawford County and the Townships involved therein.

Roll call vote: Commissioners, Cason, Kraus and Richter, all yeas. No nays. Resolution passed September 14, 1979.

Engineer Herne reported to the Board the progress of the on going projects involving engineering. He reported that the Stecker Bridge had been started and that Batterson Bridge would soon follow.

A discussion was held on the Pension Plan for the employees. No decision was made regarding the plan.

Manager Fox was instructed to place an advertisement in the paper for a mechanic to replace an employee who was terminated from employment.

The following permits were received and approved by the Board. General Telephone: Bore under Old Lake Road. Amoco: Section 5, Frederic Township 28N-R4W for relocation and construction of road.

A contract with Professional Engineering for the Sign Inventory was presented and signed by the Board.

Mr. R. Rombouts, State Labor Mediator, appeared before the Board regarding a grievance of an employee. The Board advised Mr. Rombouts to work with Manager Fox to settle the problem in the normal procedure.

The Board discussed a request from Alcona and Oscoda Counties to establish a route designation along the North side of the AuSable River in Crawford, Oscoda and Alcona Counties. The Board instructed Manager Fox to proceed with the project.

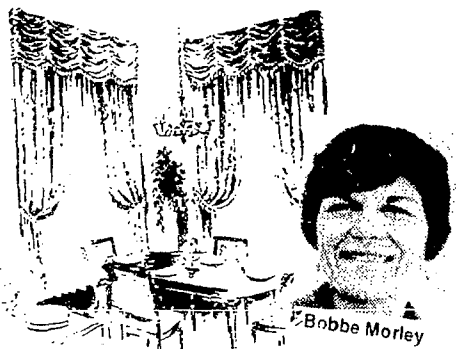

The meeting adjourned at 1:00 for a luncheon meeting with the Otsego County Road Commissioners. Present from Otsego County were Commissioner's Ford E. Wagar, Donald T. Butcher, and William J. Snyder. Engineer Manager Lawrence Bowers and Office Manager, Michael A. Roper.

The afternoon session was a meeting for the Drain Commission with Otsego County. A report on Bradford Lake Dam was given by Larry Bowers.

There being no further business, a motion was made by Grover Cason, supported by Gloria Kraus, to adjourn the meeting. All voted in favor. Meeting adjourned.

"Rocket" Football Teams...

(Photos by Joe Schrader)

There's a new sports event on the local scene this Fall-Rocket Football. The league was put together by a group of local organizers for kids ages eight through fourteen, and consists of seven teams involving well over 100 players. The teams are sponsored by local businesses in the area.

More commonly known as "flag football", the players not only enjoy the action involved, they are learning the basic fundamentals of football at the right age. Games are played Thursday evenings and sometimes on Saturdays on the band practice field behind the high school. Here are the teams:

TEAM NO. 1—is pictured here, front row (left to right): Johnny Holcomb, Ed Parrish, Mike McNamara, John Kraus and Tommy Ellingboe. Back row (left to right): Coach Howard Lehti, Craig Hudson, John Kinnee, Todd Hull, Steve Lehti, Grady Stoll, Arun Houlton and Coach Bill Ellingboe. Kneeling in front is team manager, Chris Lehti. Absent when the photo was taken were Manager Billy Ellingboe and Eric Swander.

TEAM NO. 2—consists of, front row (left to right): Carrie Trudgeon, Glenn Willoughby, Terry Nielson, Todd VanDeVen and Karl Wheeler. Back row (left to right): Coach Larry Goodale, Bud Ostrowski, Patrick Nunn, Charles Burpee, Corey Harmer, Shawn Bancroft and Asst. Coach, Dave Latusek. Team members absent include Rethna Reddy, Anita Reddy, Chris Klann, Clark Allen, Mike Marshall, Jason Welser, Mike VanHill & Mark Shepler.

TEAM NO. 3—is made up of, front row (left to right): Dave Zigila, David Metzger, Don Lange, Tim Moore, John Olson and Mick Lovely. Back row (left to right): Coach Gary Derenzy, Paul Hamlin, Dave Brooks, Michael Hickey, Heidi Derenzy and Asst. Coach Jim Failing.

TEAM NO. 4—poses here, front row (left to right): Scott Collen, Buzzy Partello, Keith Reynolds, Riley McNamara and Rob Morrill. Back row (left to right): Jon Nicholas, Steve Brooks, Coach Cal Walls, Jim Stewart, Dan LaDuke, Steve Priebe and Quintin Taylor. Missing is Coach Mike Shearer.

RAY'S CANOES—is made up of the following, front row (left to right): Claude Halstead, Eric Methner, Shawn Kraves, Tim Zigila, Chris Morgan, Heather Derenzy, Barry Methner and Jim Knight. Back row (left to right): Tom Brooks, Don Brooks, John Zielinski, Jeff Martinez, David Cornell, Jarid Baxter, Robert Fitzgerald and Coach Rudy Martinez. Absent is League Asst. Al Zigila.

C.F. FICK & SONS BLUE DEVILS—are out to burn their opponents, front row (left to right): Joe LaGrow, Scott Davis, Lacey Stephan, Colleen Bailey, John Meagher and Wayne Casler. Back row (left to right): Jeff Golnick, Jeff McLaughlin, Jeff Olson, Barry Bartelli, David Breen, Mike Bunn, David Somerville and Coach Steve Fick.

ARROWHEAD INN—sports the following players, front row (left to right): Gregg Burns, Mark Fye, Ken Grandmaison, Chad Swander and Ron Wyman. Back row (left to right): Coach Jim Weadbrock, Andy Vanderstelt, Peter Huss, Jeff Prause, Tom Brooks, Scott Trudeau and Brian Breen.

A.S.E.R.T. Installs New Officers

New Officers of The AuSable Emergency Radio Team were installed at the Regular meeting held at the county court house on Wednesday October 3rd. The officers are, Clarence (Whitey) Burse as President, Clarence Hoesli as Vice-President, and Kermit LaMotte as Secretary. A special election will be held on November 7 to fill the office of Treasurer.

In other Business, the Team welcomes George Bender Jr., Gerald Hoesli, and Marvin Leist as it's newest members. The Team roster was gone over, and members that have moved away, or that were more than two years delinquent were removed to provide room for additional prospective new members as the need arises.

Noted Astronaut to Speak at Win-Some Women's Retreat

The 8th annual women's retreat will be held at the beautiful Boyne Mountain Resort on Friday, November 2nd and Saturday, November 3rd. The retreat will provide an opportunity to join with other women for inspiration, fellowship and encouragement.

Col. James B. Irwin, from Colorado Springs will be the featured speaker. Col. Irwin who was selected by NASA in 1966 to be an astronaut and a crew member for the moon exploration missions of Apollo 10, 12 and 15, will be speaking on the theme of "God's Love" based on the scripture "For I am persuaded that nothing shall be able to separate us from our love of God, which is in Christ Jesus our Lord."

Following the selection as an astronaut by NASA in 1966, he was a member of the astronaut support crew for Apollo 10 and backup lunar module pilot for Apollo 12. On the Apollo 15 mission, July 28-August 7, 1971, he served as lunar module pilot. This fourth manned lunar landing mission was distinguished by the first utilization of a lunar rover. While Colonel Al Worden orbited the moon in the command module, Colonel Irwin and Apollo 15 commander, Colonel Dave Scott, explored Hadley Rille and the Apennine Mountains of the moon, and they collected 180 pounds of lunar surface material, including the

Genesis Rock. On the flight of Apollo 15, Colonel Irwin logged 295 hours and 11 minutes in space in which 19 hours and 46 minutes were spent outside the aircraft.

Colonel Irwin was the only man to quote Scripture on the surface of the moon (Psalm 121:1). His desire to share his faith has taken him to college campuses, churches, civic groups, and more than 50 countries, including the USSR. He is the author of "To Rule The Night" which is his autobiography and personal statement of faith. When Colonel Irwin completed his mission with the space program in 1972, he founded "High Flight Foundation", an inter-denominational Christian organization through which he shares his experiences in the Apollo 15 mission and communicates God's message throughout the world.

The seminar sessions will expand on the retreat's theme by offering practical ideas in dealing with various type of situations that women may encounter. Jean Bauman, from Elkton, who was chosen during 1976-77 as Michigan's Mother of the Year, will be sharing on the topic "Wisdom for Women in the Home". Don Williamson, from Fort Wayne, will present a seminar on "The Christian Relating" which will provide some insight as to how one can be God's person in this troubled world. Barbara Kehoe, from Indianapolis, who has always fought a weight problem, will be sharing some thoughts on "Victory Over the Flesh". Malott Cross, of Detroit, and also a Winning Women Retreat speaker will be speaking on "Whose Children Are They Anyway?" Daisy Hepburn from Mt. Herman, Calif., is a creative "idea lady." She will be sharing her ideas on how to liven up any program, organization or activity with her seminar "Life with Spice". You will be laughing and crying with Char Potterbaum of Elkhart, Indiana, who is a well known speaker and author and will be bringing a seminar entitled "What Shall We Do With That Clamoring 'Inner Child'?"

A fine selection of Christian books, records and tapes will be available in our bookstore. Instrumental and vocal music will be brought to us by Marion C. Newby of London, Ontario, Evelyn Smiley or Northville, Michigan and Jeanne Jensen of Charlevoix.

A special Community Christian Banquet will be the highlight of the retreat weekend. Colonel Irwin will be sharing a media presentation of his trip to the moon entitled "An Astronaut's Flight: Through Life."

Reservations must be in on or before Tuesday, October 23, 1979 to Win-Some Women, Box 503, Petoskey, Mich. 49770. More information and registration forms may be obtained by contacting your local area coordinator, Beth Shepler or they may be picked up at Davis Jewelry in Grayling.

The retreat is sponsored by the Neighborhood Bible Study classes in Petoskey. Women from 10-12 different church denominations make up the study groups. All women are invited to attend.

Glowing Years

It was their Golden Anniversaries. And, as Granddad placed his arm around Grandmother he said, "The years have been good to us."

"You have been good to the years," someone replied.

What a perfect description of their marriage. They cherished each day and filled it with love. They faced every week as a new adventure in useful living. They counted the months with patience and crowned them with firm commitment. They made the years glow with their confident trust in God.

Thus they lighted the hearth-fires of faith in the lives of their children and grandchildren.

Long after our grandparents are gone, the years will still glow with the faith they kindled in a dozen other hearts.
